School Committee Votes to Retain Under-subscribed Courses

By Edward J. Cooney

MILLBURY - Chairman Chet Hanratty, called the July 6 School Committee meeting to order at 7:30 p.m. In addition to Hanratty, members present were Jane Pojani, Alan Tuttle, and Bruce Pease.

Prior to approval of the June 15th minutes, Tuttle requested a clarification of a section of the minutes referring to Mrs. Dufault being assigned as a permanent substitute for kindergarten. He questioned whether there would be a permanent substitute available for teachers who were out sick.

Superintendent Dr. Alfred Sylvia replied that because of projected enrollment in the kindergarten, there was a need for a person to ease the load. According to Sylvia, the possibility exists that there may be a need for another substitute.

- Sylvia turned the discussion of Item 2, dealing with low enrollment in some classes, over to High School Principal Daniel Carmody. Carmody presented a list of 12 courses with fewer than 10 students enrolled in each. The School Committee has the right to determine whether or not to continue a class if enrollment drops below 10 students.

Carmody explained that students must remain competitive and recommended that the following courses be retained: Psychology, Chemistry Honors, Chemistry College, Physics, Accounting, Global Issues, Wood I, II, & III. He did not recommend retaining Advanced Science, Computerized Accounting, Computer Programming, and Spanish.

Carmody also stated that, in some instances, a teacher or teachers would be assigned to monitor in-house suspensions if some classes were deleted for lack of numbers. Responding to Carmody's statement, Bruce Pease stated that he would rather see a teacher transferring knowledge than playing "cop" for in-house suspension students.

Pojani moved to retain all the courses, which was approved on a 3-0-1 vote, with Pease abstaining.

- Item 3 on the agenda concerned an agreement with Pakachoag Acres Day School to lease the Dorothy Manor School for a day care program. Suzanne Pierce, business manager, reported that two changes were made in the lease agreement. Items concerning property liability insurance and renewal of the lease after one year were clarified and approved by Attorney McCann, representing the committee.

The Committee voted 4-0 to accept the lease agreement as written. According to Mrs. Pierce, the lease would run one year from August 1, 1988, to June 30, 1988. Hanratty noted that, at that time, the committee would have to go back to the Selectmen for their approval to act as agents for the rental and leasing of town-owned buildings. A 60-day notice by either party to renew or terminate was also clarified.

- Item 4 on the agenda, dealing with budget transfers, was approved on a 4-0 vote. A total of $366.86 will be returned to the town.

Introducing the

Transformer Mortgage

Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now **or** lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the first anniversary and the fifth anniversary of your loan, **or** lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

Initial Rate	Annual Percentage Rate
plus one point **8.5**	***9.951**

If you want the Fidelity Transformer Mortgage, just stop by or call any one of our offices.

* Rates subject to change without notice. Interest rate is adjusted annually, based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year, as made available by the Federal Reserve Board, plus the applicable margin. The rate of interest on this loan is 7.75%, which reflects a discount of 1.375% from the regular rate which would have been in effect using the most recently published value of the index for this product plus the pre-selected margin of 2.50%. The discounted rate will be available for one year only. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum 10% down payment.

The Committee also approved a written statement, prepared by Carmody, which would authorize the Principal at the High School to waive required make-up of Physical Education classes for students who miss classes due to activities pertaining to legitimate school functions.

- In another matter, Sylvia distributed a survey he had conducted on how various school systems handle out of district tuition costs for students. Pease had requested the study at the last meeting to see if the school system would allow children of Millbury teachers to attend Millbury schools even though they live outside of town.

Sylvia noted that in some districts an arrangement is handled though the collective bargaining process. The committee agreed that this avenue would be the most appropriate.

- Mrs. Pierce then reported that a problem may arise with Mr. Lola, who will be transporting students for the system this coming school year, if the same number of field trips taken in May and June of this year is repeated next year.

She noted that Lola expressed problems with covering field trips and regular bus runs due to a lack of drivers available to handle the increase in the number of field trips. She explained that Lola had lost one driver to retirement and that three others would not be returning. "I am just letting you know there may be a problem," Mrs. Pierce said. "All we can do is hold on and check with Mr. Lola in August. I have contacted other bus companies to see if they could provide back-up service. One company called TBC could help us out, but their rates are higher than what we presently pay. Our rate presently is 80 cents per mile and a waiting time of $4.50. Their rate is $1.15 per mile with a $10.00 waiting time."

Hanratty, noting that Lola is under contract, said, "We should not have to pay more money to cover transportation needs. It's his problem; we agreed to a specific amount. It's up to him to provide us with the transportation we need."

Sylvia agreed with Hanratty, and suggested that Lola be asked to meet with the committee to discuss the matter.

- The committee voted to give Sylvia the authority to post positions and interview candidates during the summer if late resignations come in or there is a need to fill open positions in the teaching staff.

- Bids were awarded for the installation and repair of the fire alarm system at the high school at a low bid cost of $14,336, submitted by L.J. Grace. The work will be completed by mid-August, with testing to be done by the Fire Department the week before school opens.

Another bid, for providing training and management plans relating to asbestos in the school buildings, was awarded to the low bidder, O'Brien-Gere, for $11,214.00.

- Under "Resignations," Sylvia read a letter from Linda Tift, stating that she was resigning from the position of Volunteer Coordinator to take a full time position elsewhere. Mrs. Tift was voted to that position at the June 15th meeting and has also served as a substitute teacher in the Millbury School System for several years.

- Under "Appointments," the Committee unanimously approved a recommendation to appoint Virginia Auciello to the position of part-time teacher, 25 hours per week, for the primary level gifted and talented program directed by Carole Chiras.

Two special needs aides were also approved: Marilyn Saad and Bettina Weekly.

Clara Grenier was approved as a cafeteria aide to assist at the Elmwood Street school during the noon lunch hour.

- Under "Addenda Items," Sylvia reported that he had received the transcript of Linda Oroszko, presently on sabbatical leave, which indicated that she had taken three courses for credit and that a fourth course had been audited.

Sylvia said that he informs staff going on sabbatical that four courses are required to be considered full-time in graduate studies. He then suggested that the committee might consider any research she may have done for her doctoral studies in lieu of the audited course.

- In another matter, Sylvia said that he had been informed by Mrs. Stowe, Special Education Director, that the system may have to increase its hourly rate of pay for aides in the near future in order to attract candidates. He noted that Millbury pays $8 per hour while other systems are paying $10 per hour.

- After several minutes of discussion, the committee turned down a request for a full time maintenance person, as requested by the business manager. Mrs. Pierce made her request for a full time person based upon a long list of maintenance items still to be completed.

Hanratty expressed some concern as to the time required to complete certain maintenance items, and suggested it might be better to go outside for some projects that could be completed by the private sector in a shorter time period, thus freeing up maintenance personnel for other jobs.

At his suggestion, the committee approved the hiring of a maintenance person for a 40 hour week from July to the end of November.

- Tuttle presented an addenda item concerning the transfer of a teacher to a guidance position to take the place of a guidance person who will be on sabbatical. He expressed concern that the availability of the position wasn't posted and

Beach Blanket Reading

General Fiction

LEAVING HOME: A COLLECTION OF LAKE WOBEGON STORIES by Garrison Keillor. If you're a Prairie Home Companion fan and you don't know what to do with yourself since the show went off the air, here's a good substitute. LEAVING HOME is a collection of Keillor's monologues from "A Prairie Home Companion." You'll meet, in print, the folks in the "town that time forgot, that the decades cannot improve."

STONES FOR IBARRA by Harriet Doerr. This is an outstanding book, written by a first-time author, that the discriminating reader will surely enjoy. Doerr tells the story of an American couple who make their home in a small Mexican village, showing great insight into the contrasts of the two cultures.

BELOVED by Toni Morrison. This book was recently awarded the Pulitzer Prize. It is an amazing novel set in Ohio just after the Civil War. It tells of the "living death" of an escaped slave, and the children she bore and buried. It is a mesmerizing and haunting tale.

PATRIOT GAMES by Tom Clancy. No, this isn't about the football team. It's another fascinating and alarmingly creditable story by Tom Clancy, author of HUNT FOR RED OCTOBER. PATRIOT GAMES tells the story of the war against international terrorism, featuring Clancy's charismatic hero, Jack Ryan, again.

HOT MONEY by Dick Francis. This is a "whodunit" involving a colorful cast of characters and the jockey, Ian Pembroke. Here Pembroke attempts to unravel the roots of vengeance that are choking his family.

BEFORE THE DARKNESS FALLS by Eugenia Price. Price is popular among the library's many romance readers. She is the author of the best selling SAVANNAH and TO SEE YOUR FACE AGAIN. This, her most recent, is a family saga involving Georgia's most prominent families in the year 1842. Exacting historical detail, romance, politics, and drama mark this as an "extraordinary epic tale."

THE TOMMYKNOCKERS by Stephen King. This is King's latest novel, considered by many to be his most terrifying to date. Like many of King's other books, you won't forget to lock the door behind you after you've finished reading it.

IRONWEED by William Kennedy. This is a riveting story taking place in the 1920-30's in Albany, New York. It's a story about homeless people and their personal struggle for survival.

MYSTERIES AND SCI FI

-Mysteries

NO DEALS, MR. BOND by John Gardener. Agent 007 is at it again, when the bodies of two women are found in the English countryside with their tongues cut out. Bond kicks into action in one of his most daring assignments.

HEARTSTONES by Ruth Rendell. In this psychological thriller, Rendell fashions a dark story about a disturbed sixteen-year-old who narrates the events following the death of her mother.

THE WELL by Elizabeth Jolly. Jolly is one of Australia's most noted writers in the international community. This is the story of Hester Harper, a spinster living a lonely life on a Western Australian farm. Her loneliness is temporarily broken on the night a mysterious creature appears on a rutted country road.

I AM THE ONLY RUNNING FOOTMAN by Martha Grimes. This is the eighth Richard Jury case. Jury and Devon police officer Macalvie team up to solve the Porphyria killings.

- Sci-Fi

TERROR by Frederik Pohl. Award-winner Pohl writes another sci-fi classic, this one taking place off the shores of Hawaii. Terrorists operating from Hawaiian shores soon come up against the power of Vulcan, a classified military project. Their conflict is destined to leave its effect on the world at large.

WIELDING RED SWORD by Piers Anthony. This is part of the DARKSWORD TRILOGY. It is a heroic saga of magic, deceit and adventure. This story takes place where shiny new cars compete with magic carpets. In this story, "Death," "Time," "Fate," "War" and "Nature" are characters to be dealt with by the evils of Satan.

SOLDIER OF THE MIST by Gene Wolfe. Wolfe is a Nebula Award winner. In this, his newest book, he leaves the distant future for the fantastic historical world of Greece in 479 B.C., when gods walked the Earth.

NONFICTION

THE POWER GAME: HOW WASHINGTON WORKS by Hendrick Smith (320.973). Pulitzer prize winner Smith exposes the inner workings of America's power center, Washington, to reveal the game of governing.

Aroun' The Town & Golden Agers Update

By Lillian C. Sheehan

CENTERVIEW APARTMENTS: with the Rockport trip underway, Helme has announced a trip to the Hanover House in New Hampshire on July 26th; the bus will leave at 10 a.m. This luncheon will be a buffet. Needless to say, there will be some shopping on the way home.

Everyone is staying pretty close to their air conditioners with weather Humid, Hot, and Hazy! - Not too much activity. We were fortunate to have pleasant weather for the 175th celebration.

Best wishes to Bernadette Fisher of Colonial Drive, who was injured during the July 3rd Parade. We wish her a Speedy Recovery!

FRIENDS: *The best rule for friendship is to keep your heart a little softer than your head.* - Dorothea Kent

The following are actual statements found on insurance forms where car drivers attempted to summarize the details of an accident in the fewest words possible:

The other car collided with mine without giving warning of its intentions.

I thought the window was down, but I found out it was up when I put my head through it.

I collided with a stationary truck coming the other way.

A truck backed through my windshield into my wife's face.

A pedestrian hit me and went under my car.

The guy was all over the road, I had to swerve a number of times before I hit him.

I pulled away from the side of the road, glanced at my mother-in-law and headed over the embankment.

In my attempt to kill a fly, I drove into a telephone pole.

I had been driving for 40 years when I fell asleep at the wheel and had an accident.

I was on my way to the doctor with rear end trouble when my universal joint gave way causing me to have an accident.

To avoid hitting the bumper of the car in front I struck the Pedestrian.

My car was legally parked as it backed into the other vehicle.

An invisible car came out of nowhere struck my car and vanished.

I told the police that I was not injured but on removing my hat found that I had a fractured skull.

I was sure the old fellow would never make it to the other side of the road when I struck him.

The pedestrian had no idea which direction to run, so I ran over him.

I saw a slow moving sad faced old gentleman as he bounced off the roof of my car.

The indirect cause of the accident was a little guy in a small car with a big mouth.

I was thrown from my car as it left the road, I was later found in a ditch by some stray cows.

The telephone pole was approaching, I was attempting to swerve out of its way when it struck the front end.

Faith Alive Ministries to Host Evangelist

MILLBURY - Evangelist Joe Jordan will be ministering on Sunday, July 17, Monday, July 18, and Tuesday, July 19, at 7:30 p.m. at Faith Alive Ministries, Route 146, Millbury.

Rev. Jordan received training under the ministry of Rev. and Mrs. J.R. Goodwin; he was on the staff of their church for several years.

The services are open to all without charge, but free-will offerings will be received.

Assumption School News

by Grace Laflash

Lea Gonya's first grade went to Stone Zoo in Stoneham, Mass. recently. They participated in a hands-on workshop about bird feathers, and each child made a peacock headband. The remainder of the day was spent observing the polar bears, apes, flamingoes, etc. and visiting the aviary.

Grace Laflash's fifth grade enjoyed a guided tour at the Millbury Post Office, conducted by postmaster Bruce Walberg. It was exciting to peek behind the scenes and observe postal operations: how mail is sorted, deposited in the P.O. boxes, mail carriers grouping the mail for their routes, etc.

The students received pointers on the proper way to address envelopes, learned that dogs are the number one problem of mail carriers, and saw the vault where sheets of stamps are kept.

Many items are shipped through the mail. Not so long ago, the Millbury Post Office received a shipment of baby chicks!

Each child had a stamped, self-addressed envelope which the postmaster hand cancelled with the special commemorative prepared for Millbury's 175 birthday.

BOOKS from Page 6

AND THE BAND PLAYED ON: POLITICS, PEOPLE, AND THE AIDS EPIDEMIC by Randy Shilts (362.1). Shilts, highly regarded for his coverage of the AIDS epidemic, writes here an essential book for all informed Americans. Shilts, in his investigative journalistic style, puts all the medical and political pieces of the AIDS puzzle together to provide one of the clearest, most informative books on the subject to date.

THE BEST: A DISCERNING SELECTION FOR THE QUALITY-OBSESSED by Peter Passel (640.73). Not your typical consumer's guide, this is a "serendipitous survey of the useful, whimsical, and fantasy-provoking" for the most sophisticated and knowledgeable consumer.

JOHNNY CAME LATELY by Fred DeCordova (biography). DeCordova is the best one to know what lies behind the star of the "Tonight Show" and the details of how this show is brought to American households each weekday evening.

SPYCATCHER: THE CANDID AUTOBIOGRAPHY OF A SENIOR INTELLIGENCE OFFICER by Peter Wright (biography). Wright was involved in British counter-intelligence. In SPYCATCHER he shares his theory of who is the so-called Fifth Man Soviet spy who has puzzled so many for decades. This is a real life spy story that's better than fiction.

ROGER MARIS: A MAN FOR ALL SEASONS by Maury Allen (biography). Baseball fans will enjoy the real story behind one of the greatest legends in the sport.

AN INCOMPLETE EDUCATION by Judy Jones (031). This is a fun and educational book that "takes the apple of knowledge, peels it, pares it, cores it, and serves it up with dazzling style."

Looking for Computer Programs for Your Children?

MILLBURY - The Millbury Public Library has three popular programs to offer children and their parents this summer. The first, MATH SHOP, is put out by Scholastic and teaches math skills in an entertaining and challenging way. Suitable for grades four and up.

The library also has MICROZINE. Learning opportunities abound in this computer program, featuring cosmic heroes off on a trip through the solar system, and an adventure that puts the wild back in the Wild West, and more. This program also teaches the rudiments of computer graphics. Suitable for grades three and up.

Another popular program for kids in grades three and up is ROCKY'S BOOTS. This program is another fun learning program that helps develop logical thinking and problem skills. This program presents forty problems that involve creating circuits that make Rocky the Raccoon's "boots" kick preselected shape targets.

MATH SHOP and MICROZINE are on loan to the library from the media center at the Shaw Middle School.

Scavenger Hunt

MILLBURY - Starting on July 26 and running through August 19, the Millbury Public Library, 128 Elm Street, will have its first "Undercover Hunters" scavenger hunt.

Those participating as undercover hunters will work in teams of two. Each team will be given lists of items every Tuesday of each week and return with as many items as possible by Friday at 4:00. Each item brought into the library will count as one point. Winners will be those who have brought in the most items at the end of the four weeks.

Winners will be announced on Tuesday, August 23, at 2:00, when prizes will be awarded. All ages are welcome. Sign-up, in teams of two, begins on July 19. Registration information is available by calling 865-1181.

All-You-Can Eat Buffet Luncheon

SUTTON - The First Congregational Church, Boston Road, will hold a public luncheon on Wednesday, July 20, from noon to 1 p.m. Enjoy an all-you-can-eat buffet luncheon for only $3.00 per person! Let someone else do the cooking during the heat of the summer. Enjoy a home-cooked meal of Meatloaf with Gravy, Mashed Potatoes, Vegetables, and assorted Pies and Cakes for dessert in the coolness of the vestry!

Library to Present BENJI

MILLBURY - On Wednesday, July 20, at 6:00 p.m., the Millbury Public Library, 128 Elm Street, will present BENJI, the second film feature presentation in its Family Film series.

Meet one of America's favorite dogs, Benji. Benji is the dog everybody loves. His best friends are the Chapman children, nine year old Paul and seven year old Cindy. One day, sinister intruders break into their club house, putting the Chapman children in terrible danger. And the only one in the world who can save them is the heroic Benji.

Sutton PTA Organized

SUTTON - "It's exciting to see so many people committed to insuring quality education in Sutton," said the new president of the Sutton PTA, Ramona Lapidas.

Organized in April, the Sutton PTA already has 118 members "and it's growing by leaps and bounds," Ms. Lapidas said.

The organization of the group, spearheaded by Sylvia Stepien and Brenda Jenkins, was finalized at the June meeting with the acceptance of the bylaws and the election of the following Board: Ramona Lapidas, President; Brenda Jenkins, Vice President; Louise Whitney, Treasurer; Linda Scricco, Secretary; Jo Orrell, Fund Raising Chairwoman; Joanne Woupio, Communications Chairwoman; Maureen Roberts, Program Chairwoman, Jane Donovan, Educational Liaison; Donna Davis, Membership Chairwoman; and Lillian Lefebvre and Bev Johnson, Teachers' Representatives.

The new Board will meet through the summer to plan programs and goals for the '88-'89 school year.

"There are so many people to thank for spurring Sutton on to form a PTA, most importantly Sylvia [Stepien] and Brenda [Jenkins] for their courage and perseverance," Ms. Lapidas said.

The Sutton PTA is planning informational and educational programs for the coming school year.

Ms. Lapidas, who has been active in parent/teacher groups in Spencer, Worcester, and Newport, Rhode Island, said that parent involvement in the schools is a key factor in how well their children do in school. "In a town like Sutton," she said, "where the involvement is high, there's no limit to what the parents can accomplish in their schools."

She went on to say that one of the goals of the coming year is to increase membership of parents from the secondary schools. "With the new building going up, it's more important than ever that parents and taxpayers have input in the major changes about to take place."

Anyone interested in joining the Sutton PTA may contact the Membership Chairwoman, Donna Davis, at 865-9660.

Cool It!

MILLBURY - The Millbury Public Library, 128 Elm Street, will present COOL IT!, a program for children, on July 21 at 10:30.

Join in the fun of celebrating Christmas in July at the Library. Wintry crafts, books to bring the temperatures down, and chilly treats to eat set the mood for what promises to be another hot day in July.

Registration is necessary. For more information, call 865-1181.

State Labor Council Endorses Kollios and Moore

BOSTON - Representatives Paul Kollios (D-Millbury) and Richard T. Moore (D-Uxbridge) have been endorsed by the Massachusetts AFL-CIO's Committee on Political Education for re-election to the Massachusetts House of Representatives in the Fall '88 elections.

The endorsements praised the legislators for their labor records and continued advocacy on behalf of the working men and women of the Commonwealth.

Seven delegates from the Worcester Area Chapter will attend the 1988 Compassionate Friends National Conference in Columbus, Ohio July 14-17.

They are: Linda Casey, Grafton; Paula Daoust, Leicester; Shirley Finocchio, Holden; Gertrude Kelly, Worcester; Debbie McNamara, Spencer; and Scott and Helen Sargent, Westboro.

Bereaved families of children who have died are invited to the monthly meeting of Compassionate Friends at 7:30 p.m. on Tuesday, July 19, at First Baptist Church, 111 Park Ave., Worcester.

Roche Joins Rally

Jack Roche, the Republican Senatorial candidate for the 1st Worcester and Middlesex District, recently joined a rally on the steps of the State House to protest taxing and spending in the Bay State.

The Republican sponsored June 29th rally was sponsored by Ray Shamie, Republican Party Chairman, GOP House Leader Steve Pierce, Republican Senate Leader Dave Locke, and a number of other individuals and organizations from throughout Massachusetts. Radio personality Jerry Wiliams conducted the rally, with support from the Massachusetts Taxpayers PAC, the Foundation for Economic Research, the Massachusetts Civic Interest Council, and the Committee for Responsible Government.

"I have pledged to vote against any proposed tax increase in 1988 and 1989 if elected," Roche said. "I challenge my opponent to do the same. Our priority should be on getting control of runaway state spending before we consider tax hikes." Roche said he vows to make taxes and holding the line on increasing them a central part of his campaign.

SCHOOL from Page 4

questioned whether the contract might have been violated.

Sylvia replied that he did transfer a teacher to the guidance position and had done similar transfers in the past, if they were in the best interest of the school system.

Tuttle referred to Article V of the Teacher's contract, concerning the filling of a vacancy and the required posting of the existing vacancy. Sylvia said that he had transferred teachers in the past without any problems arising with the teacher's union and that Union President Paul Clancy had approved the transfer. Sylvia also noted that the teacher he transferred has a certification in guidance.

The committee decided to check with school committee counsel to see if the transfer is allowable under state law.

- At 8:58, the Committee voted 4-0 to move to Executive Session for the purpose of discussing strategy relating to collective bargaining with teachers, custodians and cafeteria workers. The meeting adjourned following executive session.

Sutton Selectmen Hear Report on Town Farm Road Erosion

By Terry Barnicle

SUTTON - The Sutton Selectmen met on July with all members present. In the first order of business, minutes of the June 28 meeting were accepted. The following items were discussed:

- PLANNING BOARD VACANCY

The Selectmen announced that there is a vacancy on the Planning Board. All interested parties are urged to contact the Planning Board office at the Town Hall.

- ANNUAL APPOINTMENTS

The Board made the annual selection of the many people needed to serve on a variety of town boards. This year's process was complicated by the provisions of the new Charter, including the elimination of the Personnel Board and changes in terms of office.

The appointments of Town Counsel and Fire Chief were postponed and will be the subject of discussion at a future Workshop Session.

- RECREATION COMMISSION VACANCY FILLED

Karen Maynard was appointed to fill a vacancy on the Recreation Commission.

- NEW VILLAGE SEPTIC SYSTEM

George Guertin and other representatives of the 20 Manchaug families for whom the town was given a grant by the State for a septic system, appeared before the Board concerning payment for operation and maintenance of the facility. Board Chairman Mike Chizy suggested that they hire a lawyer, set up a committee, and decide, among other things, how all involved might pay their fair share of the expenses. Selectman Rick Labonte suggested that the Town Sewer Commission handle it through special legislation. Town Administrative Assistant Dexter Blois will research the legalities.

- HOTEL POND DAM

Conservation Commission member Tom Johnson told the board that he was approached by residents of the area near the Merrill Pond Dam about an erosion problem on Town Farm Road.

Johnson also reported that he met with a "dam" expert from the State Dam Safety Program who said that it's only a matter of time before Town Farm Road is eroded.

The Hotel Pond Dam isn't working, which could cause excess algae and foul odors. The 'dam' expert's solution was to dredge the pond and to put down a layer of clay, but he recommended getting the opinion of another 'dam' expert. There is also a question of ownership of Hotel Pond. The Selectmen decided that to investigate was best by a 'dam' site.

- POLE LOCATIONS

Selectmen approved the following utility pole locations: Worcester-Providence Tpke. at the Millbury line, Southwick Road, and Barnett Road.

The meeting adjourned at 10 p.m.

Valley Residents Invited to Reception

UXBRIDGE - Blackstone Valley Heritage Homecoming invites all Valley residents to a reception and program on the Blackstone Valley's "All-America City Award." The reception, with light refreshments, is free of charge and will begin at 7 p.m. on Wednesday, July 20, at the Polish-American Social and Civic Corporation, Route 16, Mendon Street, Uxbridge.

From 7:30 to 8:00 p.m., a program highlighting the significance of the Valley's award will be presented. With this Special Report, Heritage Homecoming inaugurates a new meeting format aimed at providing a broader appeal among Valley residents which will highlight Homecoming's major themes: history, environment, tourism and civic pride, and education.

After a brief recess, Heritage Homecoming will hold a regular planning session to review the schedule of the 1988 annual celebration, and to discuss public relations and marketing. Those attending the Special Report who are not yet involved in Heritage Homecoming, are welcome to stay and participate in this portion of the meeting to learn more about upcoming events.

Free Business Counseling

WORCESTER - The Service Corps of Retired Executives (SCORE), sponsored by the United States Small Business Administration, offers free business counseling at three locations in Worcester County.

The SCORE counselors are men and women who have had successful business careers as company executives or owners of their own businesses. They are wiling to share their knowledge and experience at absolutely no charge.

A counselor, or a team, meets with each client personally and as frequently as necessary. They analyze and define any problems; they help find solutions. They also keep checking with the client to see how the solutions are functioning.

During the past year, over 600 clients were counseled by SCORE in Worcester County. Counseling is available to persons who own a small business or who are interested in starting their own business.

SCORE has helped thousands of small businesses; many owe their success to the assistance received from SCORE. Nationally, over two million clients have been counseled by SCORE during the past twenty years.

To make an appointment, call the nearest SCORE Office in Worcester County. SCORE is located in the Worcester Area Chamber of Commerce, 33 Waldo Street, Worcester (753-2929).

Books and More...!

By Joanne N. Donnelly

Now that summer is here, we begin to think of vacations, going here and going there, doing this and seeing that. We welcome back our summer residents, both long-term and short, and remind them we're here, in the nice cool basement of the Sutton Municipal Center. Just come in with some form of identification, we'll sign you up, and you'll be ready for those rainy days or the grandchildren, whichever comes first.

In case anyone hasn't noticed, it's hot out there. If the thought of hopping into that car to go anywhere or do anything gives you pause, or if you remember how you detach your back from a hot vinyl seat (in two parts: first the skin, then the shirt) then think about reading.

Think about a shade tree, icy beverage, feet dangling in a large or small body of water, the telephone number of the local pizzeria firmly implanted in your long term memory bank, and a good book.

James Michener has a new book, ALASKA, and it's a true Michener with dinosaur bones, over 700 pages, and all that good stuff. SCORPIUS is John Gardner's new 007 offering, and we've finally received BLACK BOX by Amos Oz.

Ruth Harris has written LOVE AND MONEY, while Dorothy Cannell has an intriguing novel entitled, THE WIDOWS CLUB. Don't forget to put THE GOLDEN CALVES by Louis Auchincloss on your list, also.

The Central Massachusetts Regional Library System has given us some excellent books, not only fiction, but some non-fiction. COLOR DRAWING by Michael E. Doyle is a marker and colored pencil approach for designers, architects and artists. Reader's Digest has a wonderful book out entitled, AMERICA'S FASCINATING INDIAN HERITAGE. Since summer is the time to indulge, we emptied the Bookmobile of a large number of delicious books: CHOCOLATE COOKBOOK, THE FIERY CUISINES, and an excellent ice cream book that doesn't stay around too long.

We can also offer summer visitors copies of BLACKSTONE VALLEY HERITAGE HOMECOMING WEEKEND books. These are free since they are '86 and '87 issues, but they still have useful information and maps on local sights to see and places to go. They even list local businesses with their telephone numbers, just in case Murphy's law holds true for you as it does for the rest of us.

The bottom line is, sit back, relax, and come see us soon!

A Bit of History.... by Grace Laflash

Because it is our town's 175th birthday, I would like to share a bit of history with you.

The Civil War began on April 12, 1861, and ended on April 9, 1865. During that period, Millbury sent approximately 346 men to defend the Union. Some of these were reenlistments. Many Millburyites returned; some did not. Some were disabled for life. Some were prisoners of war and survived; some did not.

Otis W. Rhodes of the 11th Regiment, son of John, a manufacturer, for whom Rhodes Street is named, lost an arm and was discharged in 1863. George F. Marcy (Marcey) also lost an arm. Three men were leg amputees: Arthur T. Colburn, of the 34th Regiment, and Rodney D. Loomis and Thomas J. Tourtellotte of the 57th Regiment.

Several were prisoners at Andersonville, that dreaded Confederate prison where hundreds of Yankees died each day. Roland E. Bowen, 15th Regiment, James L. Vibbert, 31st, Henry F. Hobert and Edwin Hoyle, 34th, all survived. Their less fortunate comrades, Robert Wilson, 34th, John S. Emerson, 57th, and Henry Barton and Lucien Paradis of the 2nd Regiment of Heavy Artillery, did not survive the rigors of this P.O.W. camp.

Andrew J. Laverty, 15th Regiment, died at Washington, D.C. of wounds received in battle. Edwin D. Waters, 25th Regiment, died of typhoid fever at Newbern, North Carolina, and Rufus H. Stone, 21st Regiment, died while he was home on furlough.

On that glorious day in April when news of the fall of Richmond, Virginia, reached Millbury, the citizens held a meeting at the Town Hall, which at that time was in the old Millbury Academy building (on the site of the present Center School). Later, they adjourned to the Second Congregational Church (Federated) where spirited speeches were made. Throughout the day, bells rang, bands played, and an effigy of old Jeff Davis, President of the Confederate States of America, was drawn through the town.
